

To all members – Club by-law

**By-law 08 Dogs (As agreed committee meeting
03/07/18)**

INTRODUCTION

A “No Dogs” policy operates within the clubhouse (except for assistance dogs).

Dogs are permitted on the patio area provided they are on a leash, well behaved, quiet and non-aggressive.

As a courtesy to others please do not tether your dogs to the patio stanchions or tables unattended. Two tether points have been provided, on the rear of the practice wall and the left side of the garage door.

Your cooperation is appreciated.
